Your guests will love:

1 Location

Calling burgeoning downtown Napa home, Archer brings a boutique experience to an urban wine country setting — plus walkable, distinctive shopping, dining, entertainment and wine-tasting options.

2 Chic Venues + Elegant Events

Hosting smallish but spectacular events is our sweet spot — our scalable spaces and stunner rooftop have wine country flair, and our stellar, sincere service elevates every meeting and event experience.

3 Local Flavors

Celebrated chef Charlie Palmer's progressive American cooking is inspired by the Napa Valley agricultural and viticultural regions.

4 Luxe Details

Indulge in the comfort of five-star beds, nightly turndown with locally curated treats, whimsical slippers and undeniable Napa Valley hospitality.

5 Shareworthy Fun

Not-to-miss moments with colleagues and friends strengthen bonds.

"Many people now want freedom when they eat — not forced into a composed dish, but instead able to pick and choose from ingredients that are of the highest quality but minimally garnished. ... It's a way of dining that we feel is a perfect match for the Napa Valley."

— Chef Charlie Palmer

"Whatever you do, pour yourself into it." — ROBERT MONDAVI
