Austin, TX — November 9, 2022 — Everything is bigger in Texas; and that definitely includes holiday escapes and festivities. Archer's attention to details has collided with Texas-sized festive fun to create the [ULTIMATE HOLIDAY STAY](#) at **Archer Hotel Austin** this season. Throughout the month of December Archer is turning up the holiday spirit with an experience that is sure to make things especially merry and bright. The ULTIMATE HOLIDAY STAY maxes out festive touches and delivers much-needed relaxation in a way that makes guests wish they had an elf of their own at home. Guests will revel in the following during their special stay this season:

Deck the Halls, and the Den: Archer's Den, the poshest of the hotel's accommodations with a balcony and alfresco fireplace, will be decked with fun holiday décor including star-lit cacti guaranteed to get guests in the spirit. One of Archer's holiday helpers will escort guests to their room to show them all that's in store for them during their stay.

Breakfast in Bed, Via Elf Service: Buddy the Elf has some competition when it comes to Archer's resident elf who will be delivering up breakfast in bed via Elf Service (aka room service). Extra syrup, a favorite among elves, can be arranged.

That's the Jingle Bell Rock: Holiday sounds will be spinning around the room, quite literally, on the Crosley record player complete with a special curated seasonal vinyl collection.

Hottest Hot Cocoa in Town: An in-room spiked hot cocoa bar (for 21+) complete with a variety of spirits and accoutrements, including a milk frother to use during stay, will keep things extra toasty and cheerful.

It's Better To Give Than It Is Receive: Archer is big fan of gift giving and this holiday season guests will unwrap presents to take home (and enjoy during their stay); a cow-hide fleece balcony blanket, holiday bath bomb and Polaroid camera with a set of film to capture the holiday happenings.
