New York, NY – January 05, 2021 – As much as we’ve missed gathering, all of the family togetherness — work from home, home schooling and quarantining under one roof has us craving a bit of privacy with our partner. That’s where [Archer Hotel](#) comes in with a simple and sincere privacy promise: “*We won’t come knocking*”. Cue the music, literally (there are record players involved in this getaway) and get ready for some relaxation and romance to start the year off right with the “*Love, Archer*” escape. Guests will enjoy:

- **Complimentary upgrade*** for a little extra *ooh la la* on Archer.
- **Welcome amenity** upon arrival to make your stay even sweeter.
- Linger longer with a guaranteed **late checkout**. If last year taught us anything it’s how to slow down. What’s the rush?
- ***Don’t Come Knockin’*** door hanger to keep and (hopefully) use at home.
