DESIGN

True to its name, Sky & Vine's spectacular valley views, the only vistas of its kind given the hotel's unique vantage point and height, are complemented by natural design elements of reclaimed wood, metal and stone. Eating and drinking spaces sit beneath airy wooden trellises, hanging string lights, and the open expanse of Napa Valley skies. Fruitless olive trees surround stone fire pits and lounge seating, paving the way to a chef's show kitchen and semi-private event space. The space was designed by LK Architecture, who is responsible for the entirety of the design and architectural plan of Archer Hotel Napa. Sky & Vine's total footprint includes 90 dining seats, 14 bar seats at the main bar, 14 bar seats at the chef's show kitchen bar, and over 70 full service lounge seats. Sky & Vine also services the food and beverage for the hotel and spa guest dedicated portion of the rooftop, a 5,000 square foot space which includes a sunning pool, cabanas, spa, and fitness studio. Archer Hotel Napa's rooftop is 11,000 square feet in totality.

PROGRAMMING

Live Music: Sky & Vine also offers live musical entertainment on Sunday afternoons and Thursday evenings.

Brown Bag Wednesdays: Sky & Vine hosts Brown Bag Wednesday once weekly where the wine team hand selects a bottle of wine, brown bags it, and pours it in a blind tasting format. Guests have the opportunity to guess the "three Vs": Vintner, Varietal and Vintage. When you guess 1 of 3 correctly you'll get 10% off the bottle; 2 of 3 correctly, it's 50% off the bottle; all 3 correct, the bottle is just \$1.

Really Big Games: The bar is also home to a number of large format games, including Connect Four, Jenga, and Corn Hole.

Sunday Brunch: Every Sunday, Sky & Vine hosts a bottomless brunch for \$38, which includes a doughnut wheel or charcuterie board for the table, unlimited bloody marys and mimosas (for two hours), and a choice of a brunch main.

EVENTS

Sky & Vine, along with the entire rooftop at Archer Hotel Napa, is truly one-of-a-kind, showcasing both the urban energy of downtown Napa and the incredible valley vistas beyond the city. The venue includes several distinctive areas that are easily reserved and combined for semi-private events, including soft seating with two fire pits, rooftop dining and a chef's show kitchen for culinary demonstration, product launches, and more, along with its own private fireplace. Whether posh receptions, winemaker's dinners or milestone celebrations, this starlit stage is now Napa's new sought-after gathering spot.
